Bandung, West Java | zhafrannajib31@gmail.com | +62 895 4154 27246 | www.linkedin.com/in/zhafrannajib

An Information Systems student with a passion for UI/UX Design and Full Stack Development. I enjoy learning new things, exploring technology, and developing websites and applications that deliver a great user experience. With a strong sense of curiosity, I'm accustomed to conducting research and experimenting to understand the latest tools, frameworks, and technology trends to improve my skills and broaden my horizons in the digital world.
